

WARFARE ASSAULT PRAYER

MONDAY DAY 1 - THE APPROACH

Our Heavenly father, we come before You through the rent veil with humble adoration, being seated together in the heavenly places in Christ Jesus, to make these requests and execute our authority over the works of Satan and Babylon, the Queen of heaven.

In that name above all names, the Lord and King of all the earth, Jesus Christ of Nazareth, we divest ourselves of all fears and willingly submit to Your anointed authority as we set ourselves in agreement and unbroken rank for spiritual warfare and conquest on behalf of Your Kingdom and dominion on the earth.

TUESDAY DAY 2 - PREPARATION

O Lord, great and awesome Father God, who keeps Your covenant and mercy with those who love You and with those who keep Your commandments, we confess that we have walked in the ways of idolatry and deception and have held in contempt those who do so now. We for revealing Your truth to us and granting discernment of the spiritual realm so we can come to you in behalf of and intercession for those of Your family who are yet to be jointed to us.

We know, Lord Jesus, all authority has been given to You in heaven and in earth and You have delegated such authority to us over all the power of Satan and his cohorts so we also can destroy his works.

Abba Father, we ask You for your covering and care in these perilous days. And ask you to give us courage and discernment for the spiritual warfare You assign us.

WEDNESDAY DAY 3 - NEED

We declare and decree that the water that was cast out into the air as a type of God's Word and the oil poured out upon the earth as a type of the Holy Spirit, cannot be hindered or stopped and has spread forth with truth and power to bring truth and deliverance to people and nations

We decree that the land and waters of our nation be delivered and cleansed from the curses of idolatry, fornication and rebellion In the name of Jesus Christ of Nazareth we break these curses and decree restoration through repentance and forgiveness of sins.

May their veil be lifted, and the eyes of their understanding opened. May the strongman of their q` lives be bound, the demonic palace plundered and the spoils of victory he shared with all. May they see and receive Your and our love with discernment for the Body of Christ.
