

THURSDAY DAY 4 - THE ASSAULT

Now, today, in the name of Jesus Christ,
Yahushua, Son of God !

We, as warriors in the kingdom of God, speak to
you principalities, powers, rulers of darkness and
hosts of wickedness in heavenly places. Hear us
now!

- We rebuke you.
- We renounce and bind you and all your helpers'
works against us..
- We declare your defeat and your works
destroyed.
- We decree that the blood of Jesus Christ speaks
out against you and diffuses and nullifies all
legal accusations against us and all of God's
chosen remnant.

Oh, God of hosts, we declare and decree all this
in order that holy angels may be commissioned
to go forth and bring great victory throughout the
earth.
