

A PRAYER FOR FREEDOM FROM CATHOLICISM

Father, in the Name of Jesus of Nazareth; my Savior and Deliverer, I renounce any and all influence of Catholicism in my life and I ask now to be free from all demonic and religious spirits that came into me from my beliefs and exposure to Catholicism.

I choose to forgive my parents and grandparents, the priests and nuns, and all other teachers and leaders of the Catholic Church and schools that submitted me to the lies, ungodly beliefs and rituals.

I declare any ungodly soul ties with these individuals, god parents and others assigned to me, to oversee my Catholic commitments be severed and not to be restored thru their false prayers and rituals.

I confess and ask for forgiveness Lord Jesus for celebrating the season of Advent and the spectacle of Christmas, as well as the season of Lent, including marking my head with Ashes to start the season, and Easter.

I also recognize and confess I celebrated Christmas and Easter even after I walked away from Catholicism to appease family and others.

I know now, these are not celebrations of your birth, or crucifixion and resurrection but are tied to Pagan festivals and praise of Pagan gods / goddess so they are also sins against the First Commandment (Exodus 20:3) and ask to be delivered of all demonic influence in my life tied to false worship.

I confess the participation and acceptance of the Catholic sacraments, those made by me or by others on behalf of me before I was accountable. These events are not gifts from heaven but are rituals of dedication to the Catholic Church. In the name of Jesus of Nazareth, I now declare I am absolved of the false ungodly dedication and commitment that came with each of these Sacraments. I confess now each that I was submitted to and accept your Mercy.

[State each applicable to yourself out loud]

- Baptism - own and as a parent or god-parent
- Eucharist / First Communion
- Confirmation

- Penance & Reconciliation (Confession)
- Matrimony
- Holy Orders
- Anointing of the Sick - own or called on behalf of Parent, Spouse, or other

In the name of Jesus, I confess my agreement with the ungodly rituals of the Catholic mass and other ceremonies: robes and other attire, processions, candle rituals, scripted worship and repetitive pleas and appeals. I confess all of my ungodly prayers, not to the Father in the name of Jesus as we were commanded by Jesus. I declare void any prayer or appeal I made to Mary, the Saints, or others as instructed by Catholic doctrine. I also confess disobedience to the Father and the direction of Jesus by calling priests, bishops, cardinals, and popes 'Father' (Matthew 23:9-11).

I recognize and confess my worship of false images in my time as a Catholic

- Bowing, genuflecting to statues, crucifixes, altars and priests
- Praying of the rosary
- Praying to images of the nativity
- Praying the Stations of the Cross. The stations of the cross are not even factual of the events leading to the crucifixion.

These are sins against the 2nd Commandment (Exodus 20:4-6). I rebuke the demons of idolatry. Leave me now in the name of Jesus of Nazareth.

Father in the name of Jesus, I ask you to expose any other hidden darkness in me from Catholicism, so I may openly confess it and be set free.

[Quiet reflection and meditation]

Father, I pray in the name of Jesus, that all others of your chosen remnant and true believers trapped in Catholicism, have their eyes and ears opened to see and hear the Truth, and that they also can break Free to seek you Lord, just as you called me. I thank you Lord for the Blessing on my life to rescue and Deliver me.
