Out by the Flagpole. Levi blowing the horn and Eliah/Jim raising the flag.

Micah: We came here – declaration of war against the evil spirits that have come into our nation and these people. We're not warring against the souls of these people, but against the demons that have come into the souls of those that want to lead our country and control us. And so, we come now in the name of Jesus. We put you on notice today that we bind you and that the gates of hell shall not prevail against us. You see this rock here. So, in the name of Jesus, this sword has pierced this nation and it's the word of God that pierce/dividing soul and spirit and joints and marrow...especially in the true ecclesia, that Jesus has come to establish so His Kingdom can come, and His will be done here on this nation and this earth as it is there, Lord. And so, we praise You. Lead us today Holy Spirit as we come to do this warfare.

Now take heed Satan...take heed principalities...take heed you rulers...take heed you wickedness...take heed you hosts of darkness in the heavenlies...hear us now. We bind and rebuke you for what you're trying to do to destroy this nation and to stop the spread of God's word of the gospel of the good news and of deliverance and of healing that Jesus came to bring and now has assigned and transferred that authority unto us as His kings and priests.

So, we come this day to declare and decree that you be scattered like chaff after the wind. That your way be made dark and slippery. May you be bound up and blinded and driven off.

Father, we thank You for heavenly angels...host of them, host of them, Lord, spreading throughout this nation, Lord, to bring deliverance. And we bind these demon powers that are trying to

anoint this woman to be the president of our country. We bind your works. We bind you trying to make a celebrity out of her, in Jesus' name and this man too. And this whole group of these evil...demons in these evil people...in Jesus' name, Lord...lead us Holy Spirit. (praying in tongues)

Okay, let's pull out...draw the sword out of the sheath. If anybody can hear me, the Lord said (uncertain words could not transcribe) Sword in holder. The rock is to stay here. The sword will be wherever we meet in the Fellowship Hall or in the auditorium. Every time we meet, take the sword out and lay it by the sheath for the whole meeting. And when the meeting is over, put the sword back. It's going to be a sign. It's going to be a sign of the power of the word of God in this nation, not only in our lives, but in this nation.

So, the Lord said, now, we're going to pour the wine (over the rock).

So, now in the name of Jesus, like the blood of Jesus, we pour out upon this land and let this land be anointed for the Kingdom of God, in Jesus' name. Praise You Lord. Praise You Lord. Praise You Lord. Amen. Praise God.

Okay, now brothers, pour in the mixed oil and water. Here we have oil and water mixed together that we did in warfare in MO for the nation for population center. We pour it out. (Jim did it) And then we pour in the water (Levi doing). Now pour the oil (Elijah doing) not only in it, but on it. The anointing Lord, the anointing of this country to affect the world, in Jesus' name. Father. Thank You for the call. Praise You Lord.

Agree with us that the anointing is poured out of the Holy Spirit moving across this land. We're coming here to augment what we prayed in Kansas when we poured the oil out on the pillar on all four sides. It shall go north, south, east and west, in Jesus' name. And that the water represents Your word, Lord. It's going to

permeate this nation bringing a spirit of conviction...a spirit Lord of truth and knowledge...the eyes of understanding being opened...especially of Your people, Lord, that are blinded by false teaching, doctrines of demons. We bind up these spirits of doctrines of demons that we don't need the Holy Spirit, in Jesus' name...those spirits that have come with lies and blindness of God's people. There is a remnant here. There is a chosen here. And some of them are trapped and we command that these walls be broken down.

Come out! Come out you, people. Come out of there of your blindness and darkness and receive the Spirit of God into your lives. And begin to stand forth in authority as kings and priests throughout this land in every state...in every 50 states...all the fifty states, in Jesus' name. They shall come forth. I speak, Lord, through the ecclesia, through Your ecclesia, Lord God, in Jesus' name...that the gates of Hell shall not prevail against this. We declare it. We bind you. We rebuke you Satan, you powers...the Queen of Heaven...Queen of Heaven you be blinded. Your skirts be lifted and your thighs, your rotten thighs be exposed. You're a whore and you're cursed, in Jesus' name. We bind up your works even through this woman that's trying to be our president and leader. O Lord God, be merciful to us and deliver us from the onslaught of darkness and wickedness and the desire to control us and even our children...our grandchildren and our great grandchildren, Lord. We pray and we lift this up to You Father. And we come here, Lord, in the name of Jesus...in the name of Jesus and the power of His blood. Thank You Lord Jesus.

Jim: Father, I'm reminded of why the pilgrims came to this country...so they could worship You Father, pure and without interference. And Father, from the time this nation started to be formed, men started changing that and it's been a gradual degradation. But lately, it's just been demons run amok, Father. So, Father, I appeal for the people that found that this country and

appeal with my brothers and sisters, we repent on behalf of this nation that we stand forward Father, that the leaders of this nation will not put Your values first and the laws of this country, Father, will be Your laws, Father. And I ask for our leaders to be strong enough to say...no, no we're not going to do that. We are going to follow the rules of our Father that gave us this nation and we're going to live like that and we're going to pass this down generations to generations. And the demonic influence will no longer, no longer get into the minds of men for them to take away from what You wanted this nation to be, Father, in Jesus' name.

Levi: We pour the word of God out to tear down and demolish every stronghold of this evil regiem and declare and decree that we'll have God's leadership for our country. We are the priests and kings of this nation, and we declare the victory through the blood of Jesus Christ.

Elijah: Now, now watch and see what I'm going to do, says the God Almighty. I am the great I am. I have been waiting for My men, for My people to come forth and stand and do the warfare that I've called them to do. Now, watch and see what I'm going to do into the heavenly realm and coming against and the heaven shall shake, the heavens will break, the heavens will come down, the heavens will know that I am Lord, says the Lord God Almighty. So, watch and see now what I'm going to do. I have been waiting. I have been waiting for My men to come forth. Men of Valor to proclaim, to speak but to stand according to My will and My power by My Spirit, says the Lord God Almighty.

Micah: And Father this day, we've hoisted the flag of our nation, the nation that You chose for us to be born in and to live here for the time being. And Lord as we hoist this flag, and it shall be there Lord until this season's over. And then the day will come that the flag of Zion shall go forth over the earth, Lord God. And Your witness and Your testimony and Your light...for Lord You are the King. You Lord Jesus are the King, the High Priest of our lives.

And one day the High Priest, King of this nation, of every nation on the earth, Lord. The earth is Yours. Lord Jesus, You bought us with Your blood and it belongs to You. And all authority's in Your hand. And we are here, Lord, today as emissaries of Your authority which You've given to us, imparted to us. And You said, behold I give you authority and so we're exercising that exousia, Lord, today. Not only the exousia, but Lord the anointing in Jesus' name. And so, we praise You Lord, we praise You Lord today as we've done this...that Lord, You lead us for any other thing today, Father, that we would pray or decree or say. But we decree that You are the King...You are the Lord...You are the great High Priest. You are the Son of God, and we are Your brothers and sisters, and You made it so, Lord. And we thank You that we're now of another Kingdom and citizens of the Kingdom of God. And even so, come Lord Jesus. Even so, come Lord Jesus. We look to You to the day that we will manifest on this earth as Your sons, in Jesus' name. And we praise You and thank You, Lord. Praise You Lord. Praise You Lord. That even on this property, Lord, here that You've given us that it begins here, Lord and spreads throughout the land into every home in the sound of my voice, in the name of Jesus.

Jim: Lord, we know we can't imagine what the Kingdom is going to be for us. We know it's so much more than this. But Father, this is what You've given us so far and I love this nation, Father, because this is where You gave us to be born, to raise our families, to praise You without persecution and I just want this for generations. And I was just told to do something that I've never done before. I was told to sing "God Bless America" as a prayer. So, bear with me. My voice is still one of things being perfected. I also know I can sing boldly. (*Everyone singing God Bless America.*)

Elijah: Now, you heard us you power of darkness. You've heard us. You've heard the word and nothing by any means shall take from the word of God this day. For everything that's tried to, you

have no place here...you have no part for the declaration has been made today for this country, for God's people and nothing by any means shall take from it because it's the word of the great I AM.

Micah: Give me the sword. Lord, I take hold of this sharp, two-edged sword, Lord, as Your word and that it's going to be strengthened, Lord, throughout this land, especially here in our lives and in this ministry. Thank You Lord. Praise You Lord.

Elijah: The declaration that the Lord made through our brother here is powerful, brother, about that sword...every time we meet, you said take it out of the sheath. When you said that, I saw that the declaration was being made known that we are warriors. See, when that (sword) is not in the sheath, we're warriors. We're battling, no matter what we're doing we're fighting. So, when you said that...that was powerful brother.

Micah: to Levi, blow the trumpet 3 more times. Hear now. Hear now, you powers and principalities, hear the war is on. Amen

Elijah: to the north, to the south, to the east, and to the west... Amen!

All so good. It was all so good brother.

Levi: The word in the spirit got released.
